

CODE AND DATA DISCLOSURE FORM

Required Effective June 1, 2019

Title of Manuscript:

Please review the complete Code and Data Disclosure Policy at
<https://pubsonline.informs.org/page/mnsc/datapolicy>.

Check that you are familiar with the policy and agree to comply.

Indicate which data policy applies by checking the appropriate box below:

The paper is not based on code or data.

The author(s) will provide all code and data as necessary to reproduce the paper's results as stipulated in the Code and Data Disclosure Policy (see <https://pubsonline.informs.org/page/mnsc/datapolicy>).

The paper uses public data or commercial data available for purchase or via subscription. The author(s) will provide instructions regarding how to obtain all data, as well as all code necessary to reproduce the paper's results.

The data are proprietary (e.g., NDA) and cannot be shared. An exception is requested, and the following Alternative Disclosure Plan is proposed (see, e.g., policy items 4a–f at <https://pubsonline.informs.org/page/mnsc/datapolicy>).

Specify Alternative Disclosure Plan below:
